

## Call for expressions of interest

Association for Environmental Protection and Clean-up of Kosova (PAMKOS) is a non-profit and non-governmental organization established by the Ministry of Public Administration, based on article 9, and on revised Law No. 04 / L-57, on freedom of association for non-governmental organizations in the Republic of Kosovo since 2000. Over the years PAMKOS has proven its professional capacity in becoming the unit association which represent the interests of all its members (which are public waste management companies), engaging in advocacy activities, development research and enhancement of its members, and their ability to provide professional, competitive, sustainable and environmentally friendly services; and at the same time promoting the public waste management sector in Kosovo. In addition to fulfill its mission, PAMKOS with the support of the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is being support as the unit institution representative of waste management sector I Kosovo in order to implement activities according to the association mission.

At the same time, referring to the needs of the companies which have been addressed by assessing the needs of the operational sector with high potential risk in the company, PAMKOS, through the support of donors, plans to provide the operational sector in the company with work equipment, which contribute directly to the preservation of the health of the workers who have direct access to the operation in areas with the presence of medical waste.

The Association for Environmental Protection and Clean-up of Kosova PAMKOS supported by The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH under the "Sustainable Municipal Service (SMS)" project, invites suitably qualified private companies to express their interest in providing support as requested: **"Providing Protective equipment for operative workers within public companies (RWC,LPC,KLMC)"**.

The checklist below provides further information about the conditions and expectations of the PAMKOS project. Based on responses to this Request for Information, PAMKOS will pre-qualify companies that will receive an Inquiry and will be formally invited to submit their offers with detailed specifications. Response to the RFI (Request for Information) does not necessarily imply that your company will receive the PAMKOS's the response to the RFI **"Providing Protective equipment for operative workers within public companies (RWC,LPC,KLMC)"**.

Please note that all correspondence and dealing with the PAMKOS must be in English language.
