

The Innovation and Training Park (ITP) Prizren works on the transformation of the former military camp of the NATO-led peacekeeping Kosovo Force (KFOR) in Prizren into innovation and training park. The park's core idea is to attract innovative, technology-oriented and creative businesses and start-ups, educational institutions, vocational training providers, civil society organizations and public stakeholders to build an ecosystem, favourable to thrive entrepreneurial innovation and success leading to economic development in the Prizren region and beyond.

ITP Prizren is announcing as following:

Invitation for expression of interest

ITP Prizren invites qualified companies to request the Invitation for expression of interest for the following tasks:

The sale of maintenance hall and freeing of the space/area where current maintenance hall is located.
